1. Under customer input and inquiries, Ms. Magee reported that today was disconnection day. There were 18 disconnections in MUD No. 248 and 60 disconnections in the District. He reported that construction continues with regard to the District’s relocation of water and sanitary sewer lines at the intersection of N. Eldridge Parkway and FM 1960. He noted that the District’s contractor is experiencing delays in the procurement of cement needed for the project, but the engineer is hopeful that such delay will not postpone the anticipated completion date. The engineer also confirmed that the District’s latest reimbursement package will be resubmitted to the Texas Department of Transportation for final review on May 23, 2022.

Mr. Rosenbaum also reported that he reached out to the potential developer of the tract located at 12203 Cypress N. Houston to schedule a meeting to discuss for process of and costs associated with annexation into the District. He is awaiting a response.

After discussion, upon motion made by Director Kelley, seconded by Director Morgan, and unanimously carried, the Board approved the engineer's report as presented.

4. The Board then considered the engagement of Myrtle Cruz to serve as it's the District's new bookkeeper effective June 1, 2022. Mr. Homan and Ms. Seipel reviewed the rates set forth in the proposed agreement, which the Board agreed were reasonable. Subject to that discussion, upon motion made by Director Kelley, seconded by Director Cangelose, and unanimously carried, the Board approved the agreement as presented.

5. In light of the engagement of a new bookkeeper, the Board considered a Resolution Appointing Investment Officers, whereby Mary Jarmon from the office of Myrtle Cruz will serve as an investment officer in place of the District's existing bookkeeper. Upon motion made by Director Cangelose, seconded by Director Solis, and unanimously carried, the Board approved the resolution as presented, with an effective date of May 25, 2022.

6. The Board considered payment of the general fund bills. After review, upon motion made by Director Morgan, seconded by Director Cangelose, and unanimously carried, the Board approved payment of the general fund bills as presented.

Lastly, Mr. Homan reminded the Board that the Water Users Coalition, in conjunction with AWBD and Timber Lane Utility District, are hosting an event on May 19, 2022 to introduce to new members of Harris County Precinct No. 3 its commissioner, Tom Ramsey.
