We have changed our billing software. **You have a new account number.** None of our rates have changed.

If you use your bank's bill pay service, please update your account number on your bank's website.

You can now enroll in ebilling and/or autopay, on our website: www.harriscountyfwsd61.org. You will need to enter your new account number, found on your bill, and enroll for these services.

If you occasionally use our website to pay your water bill, you will need to enter your new account number and last name. The old account number will not work to log in.

Any month you have a previous balance on your account over \$29.99, it is due before the current charge's due date. The disconnection information will be printed on the bill message. A separate red disconnection notice will be mailed to you prior to disconnection. To prevent termination, payment of the previous balance must be received in our office by 8:00 AM on the cut off date.

If you receive a red notice, do not mail your payment. Bring it to our office for immediate credit or pay it on our website. www.harriscountyfwsd61.org. We will no longer be sending two delinquent notices each month. No delinquent notices will be left on your door.

If your service is disconnected, the minimum required to reconnect is the previous balance, a reconnect fee, and there may be an additional deposit required.

Please contact our office if you have any questions.
